

## TIEBREAKER RULES

If teams that have reached the same stage of the competition are tied, the steps to break the tie shall be applied in the following order.

Each step shall be calculated only once. If teams are still tied after one step, the next step shall be applied to break the tie between those teams still tied.

- 1) Most wins (or win ratio in case of unequal number of games in inter-pool comparison).
- 2) Head-to-head comparison (only taking win/loss into account and applies within a pool only).
- 3) Most points scored in average (without considering winning scores of forfeits).
- 4) If teams are still tied after those 3 steps, the team(s) with the highest seeding win(s) the tie-breaker.
